Tennessee Employees  
Charitable Campaign

# *A Letter from Phil Bredesen*

Dear Fellow State Employees,

It is truly an honor to serve as Chair of the 2004 Tennessee Employees Charitable Campaign (TECC). The TECC is an essential connection between the needs of our family, friends and neighbors across Tennessee and the generosity of state employees. Non-profit organizations funded through the campaign help to enrich our lives, keeping us safe and healthy.

In the 2003 Campaign, 7,261 state employees pledged over \$508,500 to charitable organizations that are helping make Tennessee a better place to live. As a state employee, you are already making an important difference in the lives of the people of our state and I want to thank you for your hard work and dedication to the citizens of Tennessee. The Tennessee Employees Charitable Campaign gives us a further opportunity to help others today and in the future.

The 2004 TECC begins October 25, 2004 and extends through November 30, 2004. The theme for this year's campaign is *"Hearts Opening to Others."* If every state employee contributed just \$1.00 a week, we could generate over \$2,000,000 dedicated to helping others. Think of the impact that we will have in our Tennessee communities. I hope that you will join me in support of our annual charitable giving campaign. Imagine the difference we can make – together!

Warmest regards,

Phil Bredesen

What is the Buck-A-Week Club and How can I become a member?

Giving just ONE DOLLAR PER WEEK (\$4.33 per month) to the Tennessee Employees Charitable Campaign can make an extraordinary difference in our community.

You could provide new clothing to a homeless child, provide medical care for 10 babies suffering from life-threatening illnesses or purchase meals for two needy families of four for three days. These are just a few examples of how your dollars could make a difference. Please JOIN THE CLUB!

---

If YOU want to help make TENNESSEE a better place to live:

- \*complete the enclosed PLEDGE FORM,
- \*give a gift (through EASY payroll deduction - minimum \$1 per month, but why not give a BUCK-A-WEEK?) to any federation or charity listed in this brochure,
- \*return your pledge form to your department coordinator (keep the back copy for your records!).

And.....IMAGINE THE DIFFERENCE we will make  
in the lives of Tennesseans across this state.

*Community Health Charities is a national and local federation created by its member health charities for the purpose of representing them in employee payroll deduction campaigns, in private corporations, federal and governmental municipalities, for the function of raising awareness and financial support for our charities in our local communities and throughout the country. Our health charities are the most well respected and well known charities in the nation, providing local patient services, educational programs and investments in medical research to find a cure and cause of a disease or disability in addition to new drugs and treatments. With more than 50 years of experience, we are one of the most fiscally responsible non-profit organizations in the country, keeping our overhead costs in Tennessee at 5%. Together, we are giving the gift of hope and providing a future to the millions of people who thought none existed.*

**Community Shares of Tennessee** is your environmental *and* social justice federation.

We believe that *all* Tennesseans deserve a clean environment, affordable health care, good jobs, culture, art, and freedom from violence. **Community Shares** represents groups that *make a difference*. With your help, we can get to the root causes of Tennessee's environmental and social justice issues.

**Community Shares** encourages you to support the organization(s) of YOUR choice. Our member groups that have an asterisk (\*) beside their name are associate members and receive ONLY contributions designated to them. Groups without an asterisk are full members and receive all designated gifts, plus an *equal share* of contributions to the General Fund (code 99000).

**Every day..... you make choices.**

Because the Tennessee Employees Charitable Campaign provides so many choices for giving, YOU can decide what kind of organizations you want to support.

**Let your contribution reflect your values -**

If you believe that Tennesseans deserve a cleaner and greener environment....

If you believe that hunger, domestic violence, and discrimination should not exist in our world....

If you believe that people with disabilities should not be forced to live in nursing homes....

If you believe that Tennesseans deserve affordable health care....

....Then you believe in the organizations that Community Shares supports every day.
